#### THE HOTEL AND HOSPITALITY SECTOR

The installation of our new flooring has breathed fresh life into this area of high pedestrian traffic. It is light and easy to maintain - we love it!

Blaine, USA - 200 m<sup>2</sup> of GTI Max

#### HEALTHCARE - DRÔME HOSPITAL

We had to renew the floor coverings in the two main passageways of the hospital, without closing off access to areas that are submitted to heavy pedestrian and logistics traffic. Gerflor's GTI flooring was the natural and obvious choice.

> Romans, France 300 m<sup>2</sup> of GTI Max
